Hello Myra,

Please see below request for electronic data associated with the FJ Doyle site. This is 1990 data and wanted to check to see if by chance it was still available?

Thanks!

Hi Christy,

I hope you are doing well. Question. We have a new site from Gary – FJ Doyle site (TXD980865109) and I was wondering if any EDDs still existed so we could import to SCRIBE and save time? I have the following lab info from four historical reports circa 1990:

- CLP Case # 25969
- EPA Houston Lab #s 5TFAKC0201 through 5TFAKC0268
- CLP Case # 6899
- EPA Houston Lab #s ITFACC0801 through ITFACC0805

Let me know if you need any additional information.

Thanks!
